W100 Luncheon
Project Announced

Give to the Max Day

November 21st is Minnesota's largest giving holiday where people are invited to donate to their favorite non-profit. Last year, over \$34 million dollars were donated to non-profits across the state in just one day!

You can help us reach our fundraising goal by going to GiveMN.org and searching

for Lakes Crisis & Resource Center. Thanks to the generosity of an anonymous donor, all donations are matched up to \$10,000! You don't have to wait for the 21st - early giving starts on November 1st. Your generous donation will help support the programs and services provided to those impacted by domestic violence, sexual assault, and general crime.

Memorial Display

Break the Silence Memorial Display
Life sized silhouettes lined the sidewalk

To recognize Domestic Violence Awareness Month, a memorial display was held at the Detroit Lakes City Park during the first two weeks of October. Life-size silhouettes lined the sidewalk, each one representing a domestic violence related homicide in Minnesota from September 2023 to August 2024. Thirty victims were remembered during our 2nd Annual Break the Silence Memorial, ranging in age from 8 years old to 81 years. This solemn, yet impactful, memorial was viewed by hundreds of people as our community took strides to “Break the Silence” regarding domestic violence. It was especially meaningful to have family members and friends of victims attend.

If you missed our memorial event, view it virtually and read about each victim on our Facebook page and our website at www.lakescrisis.com/display.

We are proud to announce the 2024 Women's 100 project! According to the ASPCA, "As many as 25% of domestic violence survivors have reported returning to an abusive partner out of concern for their pet. Studies demonstrate that abusers intentionally target pets to exert control over their intimate partners—71% of pet-owning women entering domestic violence shelters report that their abuser threatened, harmed, or killed a family pet. Despite the urgent need, only 3% of domestic violence shelters nationwide are able to accommodate pets."

Companion Care Fund

Providing emergency shelter for pets that are fleeing domestic violence with their family.

No one should have to make the impossible choice between leaving an abusive situation and ensuring a pet's safety. With the help from our generous W-100 donors, we have created the Companion Care Fund. This dedicated fund will help provide emergency pet boarding at the Marshmallow Animal Shelter for victims of domestic violence. Thank you W-100 members!
