

ONE Women's ONE-Hundred 2023

We are entering our **eighth** year of uniting as a group of philanthropic women to encourage and support families receiving services at Lakes Crisis & Resource Center. To date we have raised nearly **\$70,000!!** We have purchased flooring and furniture for the shelter apartments; a van used for transporting clients to appointments, work, and school; a curriculum for youth support groups; increased client safety with an enhanced security and surveillance system; we replaced the seating in our client intake rooms and conference room, and an awning in the backyard to provide privacy and sun protection. Thank you for contributing to our 2022 W-100 project. With your help, the 2022 W-100 project enabled us to purchase a dolly, cart, and trailer for moving families out of shelter and into their new homes.

The impact of services provided by LCRC and the safety it brings to the community is critical. We put our mission of fostering safety, hope, and healing through advocacy, intervention, and education to work helping those who are most in need. As a result of our joint contributions, the Women's ONE-Hundred enables us to assist more than 3,000 adults and children yearly. We invite you to become ONE of ONE-Hundred women who will make a difference in 2023 for LCRC!

By standing together as ONE of ONE-Hundred for this common mission, our dedicated group of women can make a significant impact in the lives of those in need **immediately**.

I look forward to becoming **ONE** with you in 2023.

Sincerely,

Stephanie Baker
