

Parent Responsibilities

Respect and consideration are important for all. The goal is to become comfortable with one another and to feel free to share thoughts and ideas. The Parent Education Coordinator is also available to help with any problems.

Parents/guardians are responsible for supervising and monitoring their child during PIP activities and events.

Parents are required to follow **ALL** safety rules while on Partners in Parenting (PIP) outings:

- *seatbelts,
- *state car seat laws
- *helmets
- *life jackets
- *etc.

Transportation will be provided only by adults who have a valid driver's license and current car insurance.

Parents/Guardians should let Parent Education Coordinator know of any allergies or medical conditions. Snacks/meals may be provided by the program occasionally.

Please report any change in situation (phone, address, etc.) to the Parent Education Coordinator.

I have read and fully understand my responsibilities as a participant in the Partners in Parenting program. I promise to cooperate, be open and honest with my communication, and to support and encourage other parents in the program to the best of my ability. I will call the Parent Education Coordinator if I have any concerns or questions.
